LETTER OF RECOMMENDATION

The UnAgency agency works with RanoZebrano.pl from the beginning of the project, that is since April 2014. Thanks to the commitment, knowledge, and insight of Adam Ostapinski and his team social communication channels and SEM became important elements of promotion RanoZebrano.pl and increasing company sales.

The agency fully match up to company expectations, often exceeding their scope, initiates new projects, provides help, shares knowledge. Due diligence in terms of details it is a relation based on trust and straightforwardness – these features distinguish UnAgency, therefore we recommend this agency as a reliable partner, whose work signifies actual development of the projects.
